

FNDP sector priority: Environment is considered by GRZ to be a crosscutting national priority. This is appropriate given the evident relationship between environmental sustainability and the overall objectives of the Plan. UNDP support is aligned to the policy and reform priorities, as well as the programmes, objectives and strategies set out in Chapters 33 of the FNDP

Role under the JASZ: UNDP is a co-lead with Finland in the environment sector. UNDP is also an active partner in the energy sector and has been invited by GOVERNMENT to focus its support on renewable energy solutions

Intended UNDAF outcome #3: Environmentally sustainable development is a crosscutting priority of the UNDAF

UNDP programme component	Intended outcomes	Intended outputs	Selected indicators	National implementing partners
			trained No. of campaigns undertaken Volume of resources mobilized for FNDP environment and renewable energy sector results	UNDP
